## SPONSORSHIP OPPORTUNITIES

CEDA's first conference on the Iberian peninsula, co-organised by the Portuguese Engineers Association will address key topics relevant to the success of local port dredging and sediment management projects, and reflect current thinking on the meaning of sustainability in this particular context.

**Sponsorship to the conference offers a valuable opportunity to be visible to professionals, stakeholders and key players in the dredging and hydraulic construction fields in the region and beyond. It also offers the opportunity to demonstrate that your company is an active member of the dredging community and supports the exchange dredging knowledge and experience.**
